The Office of Admission offers information sessions for prospective students and their families. These briefings, led by the deans of admission, are immediately followed by tours of the University Grounds led by undergraduate University Guide Service members. Sessions and tours are accessible to persons using wheelchairs. To request an interpreter for the hearing impaired, call us in advance at 434-982-3200. Please note that for the safety and security of our students, walking tours will not go inside residence halls. Visitors are invited to park in the Central Grounds Parking Garage (400 Emmet Street South, Charlottesville, VA 22904).
