COMMERCE ELECTIVES, which can be combined with a degree from the College of Arts & Sciences, Engineering, or other schools at the University

BUSINESS-RELATED STUDENT ORGANIZATIONS, competitions, and networking opportunities

MCINTIRE BUSINESS INSTITUTE, a certificate program offered in a five-week summer, academic-year, or online format

ENTREPRENEURSHIP MINOR, a 15-credit interdisciplinary minor with concentrations in Innovation in Business, Technology Entrepreneurship (with the Engineering School), or Social Entrepreneurship (with the Batten School)

LEADERSHIP MINOR, a 15-credit interdisciplinary minor designed to transform how students think about leadership and to develop the skills they need to lead in a complex global environment

REAL ESTATE MINOR, a 15-credit minor exploring the many dimensions of commercial real estate, including commerce, public policy, history, ethics, engineering, and design

M.S. IN COMMERCE, a one-year program designed to help recent liberal arts, sciences, and engineering graduates transform their intellectual and academic skill sets into focused business expertise

B.S. IN COMMERCE, a two-year undergraduate degree program providing students with a broad understanding of business in today's global workforce. McIntire students major in Commerce and have the opportunity to focus in one or two of the School's available concentrations and, if desired, gain special expertise in one or two tracks.

- Finance
- Information Technology
- Management
- Marketing

TRACKS

- Strategic Brand Consulting & Communications
- Business Analytics
- Entrepreneurship
- Global Commerce
- Quantitative Finance
- Real Estate

B.S. IN COMMERCE

ADMISSION INFORMATION

Students pursuing a B.S. in Commerce typically spend the first two years of undergraduate work combining liberal arts and business prerequisite courses. These two years of liberal arts preparation are critical to students' success at McIntire and their long-term professional development.

McIntire is committed to holistically evaluating many facets of an individual's preparation. With this in mind, the Undergraduate Admission Committee commits to creating a class that: brings a diversity of experience, background and skills, possesses intellectual curiosity, is academically prepared and highly engaged, and demonstrates emotional intelligence.

REQUIREMENTS

Before enrolling in the McIntire School, students must complete a minimum of 54 credits and the following prerequisites:

COURSE	SUGGESTED YEAR
Foundations of Commerce	First
First Writing Requirement	First
Statistical Analysis	First
Calculus	First
*Artistic, Interpretive & Philosophical Inquiry	First or Second
*World Language	First or Second
Microeconomics / Macroeconomics	First or Second
Financial Accounting / Managerial Accounting	Second

**Artistic, Interpretive & Philosophical Inquiry requirement as defined by the College of Arts & Sciences. World Language course requirements are the same as the College of Arts & Sciences. After admission, world language prerequisites may, with prior approval, be completed during the summer prior to enrollment, but must be completed before entering the McIntire School.*
