# THE PURSUIT OF BETTER BEGINS HERE

**UNIVERSITY  
of VIRGINIA**

**When the University of Virginia was founded in 1819, it didn't just break the mold of higher education. It became a center for critical thought, designed not just to create a better kind of university but better leaders and a more educated society. A model founded on ideas, UVA has been maintained for more than two hundred years by generations of students, faculty, and alumni, aligned in their pursuit for the common good. In a setting of extraordinary beauty and tradition — a campus known simply as Grounds — students still gather to exchange ideas, dream boldly, and commit themselves to a better society and world.**

# THIS IS MORE THAN AN INVITATION. IT'S A CALLING.

Every UVA student is unique, representing a range of backgrounds, regions and experiences. Yet there are defining traits that each of our students share. They are barrier-breakers, transforming obstacles into opportunities. They are world-changers, willing to lead and follow. They are wave-makers, challenging convention and imagining the unimaginable. But what truly defines a UVA student is not their accolades or achievements, but rather their unswerving commitment to serve the greater good. To learn more about the UVA student experience, visit [virginia.edu/student-experience](https://virginia.edu/student-experience).

TO MEET THE NEEDS OF EVERY APPLICANT,  
UVA OFFERS THREE DISTINCT ADMISSION OPTIONS.

“At first I didn’t think  
that UVA was within reach,  
but there were a lot of  
different resources and  
people that helped me.”

— Casey Balamut,  
Undergraduate Student  
Curry '18

A large crowd of UVA students is shown cheering enthusiastically at what appears to be a sporting event. The entire image is overlaid with a monochromatic orange tint. In the foreground, several students are visible: one on the left holds a foam finger with the UVA logo and the text 'GO HOE'; a student in the center holds a pom-pom; and a student on the right wears a 'HOO CREW' t-shirt. The background is filled with many other students, some wearing hats and sunglasses, all appearing to be part of the same event.

**Starting day one, UVA students receive the freedom and resources to craft their own unique experiences. With access to nearly 1,000 student clubs and organizations, world-class art, theater performances, and endless volunteer opportunities in the community, the only difficult part is deciding what to choose. Plus, our tradition of student self-governance, including the oldest student-run honor system in the country, offers a wealth of opportunities for cultivating leadership and management skills that can be just as valuable as any learning experience in the classroom. And with our 25 NCAA Division I varsity sports teams, we're not only perennial favorites in the hunt for the Atlantic Coast Conference and national championships — we're winning them, too.**
