

I hope you are finding ways to stay healthy and active during these unprecedented times. Below are updated statistics and data for the Class of 2024 that we hope will be of assistance in your conversations with your students and their families. Although our admitted student open house events at UVA have been cancelled, we are working on some interactive, live-streaming programming so your students can learn more about life here at UVA. We will contact them directly by email and text messaging to keep them apprised of these virtual events as they are developed.

The University has established a [COVID-19 FAQ page](#) and we've tried to anticipate questions that incoming first-year students might ask. This is a dynamic FAQ and we will be updating it regularly as questions arise or decisions are made. Please feel free to share it with your students. At this time, we are still planning for a May 1st deposit deadline and will continue to assess that and all enrollment decisions moving forward. Please know that our team remains available to you and your students by phone or email, so feel free to reach out anytime we can be of further assistance.

We are incredibly grateful for your support and partnership, especially during this difficult and confusing time. Thank you for all you do for your students and their families, and your community and ours.
